While we endeavor to do our best at all times to select and recommend the most reputable and financially sound travel and transportation companies to provide services on your behalf, we are also concerned that you are aware of and fully understand the limitations of the responsibility which we are able to assume. We ask that you read the following statement of conditions and contents of this brochure with care, making sure that you obtain answers to all pertinent questions you may have prior to making a deposit and/or final payment.

**BAGGAGE:** You are allowed two pieces of checked luggage and one carry-on which must remain in the care of its owner at all times. Some airlines are charging baggage fees. You will be notified. There are porters at the airport and the pier, but hand luggage, valuables, medications and breakable items must be hand-carried by the passenger.

**INSURANCE:** Trip accident, health and baggage insurance are recommended. Cancellation insurance is also available and is particularly recommended. Details will be furnished by your travel agent upon request.

**TRAVEL DOCUMENTS:** U.S. citizens must carry a passport. Non-citizens must have a valid passport and necessary visas. These documents are the traveler's responsibility.

**RESPONSIBILITY:** AAA and NAAAS give notice that all tickets and coupons are issued or delivered by them, and all arrangements for transport of conveyance, or for hotel accommodations, and for similar services are transmitted by them AS AGENTS BY THE VENDORS, and they shall not be liable for any injury, damage, loss, accident, delay, or irregularity which may be occasioned either by reason or defect in any vehicle through the act or default of any company or persons engaged in conveying the passengers, or of any hotel proprietor or employee, or in carrying out the arrangements of the tours, or otherwise in connection therewith.

The aforesaid AAA & NAAAS and each of its affiliated clubs or associations can accept no responsibility for loss or additional expenses due to delay or change of schedule, weather, strikes, war, quarantine or other causes and where such other causes are occasioned by the acts of others. All such losses or expense will have to be borne by the passengers with the right to make claim against those whose action causes such loss or additional expense.

Baggage is "at owner's risk" throughout the tour, and should be insured separately by the participant. Small articles (coats, wraps, umbrellas, handbags, etc.) are entirely under the care of passengers.

The right is reserved for cause to decline to accept or return any person as a member of any tour or series of tours described herein, or to cancel or alter the tour.

**SPECIAL NOTES:** Fares shown are subject to confirmation or adjustment at any time prior to departure. The right is reserved to make additional and separate charges for changes or alterations which are made at the purchaser's and/or passenger's request. Passengers may leave or abandon the tour at any time at their own risk and expense.

**TOUR PURCHASE CONDITIONS:** In making travel and tour arrangements and in obtaining and issuing tickets, coupons, vouchers and other items related thereto, AAA & NAAAS is acting as an Agent for Owners, contractors, vendors, operators, tour wholesalers and/or transportation carriers through whom arrangements are made, and cannot be responsible for the actions of any parties who are to supply the actual services and features which are included in the tour.

It sometimes happens that travel schedules change, hotels vary in quality and certain other tour features have to be modified. Should revisions in your tour arrangements occur, they will be the result of unforeseen circumstances. In spite of our best efforts, we have no way of fully guaranteeing the performance of other responsible parties.

The accommodations and features of your tour have been organized by GENERAL TOURS and will be furnished under its supervision. While every possible effort will be made to provide the actual services, features and accommodations mentioned in the tour itinerary, the operations of GENERAL TOURS and those persons with whom they deal or contract, such as hotels, local transfer and sightseeing companies, restaurants or others, are beyond the control of AAA & NAAAS.

AAA & NAAAS do not own, manage, control or operate any transportation vehicle, hotel, restaurant or other supplier of services.

Travel documents and compliance with customs regulations are your responsibility.

No employee of AAA or NAAAS has authority to change the conditions under which you agree to take this tour.
