Dear Sirs:

It is a pleasure to write to you concerning the application of Pan American College, Edinburg, Texas, for a chapter of Kappa Delta Pi.

As a member of Kappa Delta Pi, I am familiar with the purposes for which the Society was established and exists. Based on my knowledge of both Pan American College and the Society, I feel that the establishment of a chapter at the college would be mutually beneficial.

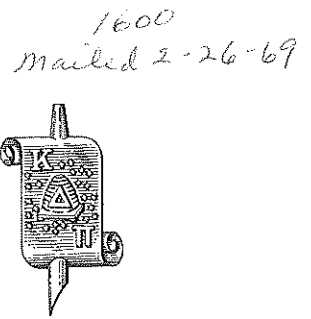

Our district assists in the training of many practice teachers from the college and in turn employs many of its graduates. We have been pleased with the quality of training received at the college. I feel that a Kappa Delta Pi chapter would be a valuable asset in further improving the excellent program now offered by the college.

Sincerely,

Dwade R. King
Assistant Superintendent for Instruction
