

BILINGUAL EDUCATION STANDARDS

TExES- Texas Examinations for
Educator Standards

IRA - International Reading
Association

Competency 001- Understands the foundations of bilingual education and the concepts of bilingualism and biculturalism and applies this knowledge to create an effective learning environment for students in the bilingual education program.

1. Understands the historical background of bilingual education in the United States, including pertinent federal and state legislation, significant court cases related to bilingual education, and the effects of demographic changes on bilingual education.
2. Understands procedures (e.g., Language Proficiency Assessment Committee) for the identification, assessment, and instructional placement of English Language Learners.

Competency 001- Understands the foundations of bilingual education and the concepts of bilingualism and biculturalism and applies this knowledge to create an effective learning environment for students in the bilingual education program.

3. Demonstrates an awareness of global issues and perspectives related to bilingual education, including how bilingual education and bilingualism are perceived throughout the world.
4. Understands the importance of creating an additive educational program that reinforces a bicultural identity, including understanding the differences between acculturation and assimilation.

Competency 001- Understands the foundations of bilingual education and the concepts of bilingualism and biculturalism and applies this knowledge to create an effective learning environment for students in the bilingual education program.

5. Uses knowledge of the historical, legal, legislative, and global contexts of bilingual education to be an effective advocate for the bilingual education program and to advocate equity for bilingual students.
6. Understands convergent research related to bilingual education (e.g., best instructional practices as determined by student achievement) and applies convergent research when making instructional decisions.

Competency 001- Understands the foundations of bilingual education and the concepts of bilingualism and biculturalism and applies this knowledge to create an effective learning environment for students in the bilingual education program.

7. Knows models of bilingual education, including characteristics and goals of various types of bilingual education programs, research findings on the effectiveness of various models of bilingual education, and factors that determine the nature of a bilingual program on a particular campus.
8. Uses knowledge of various bilingual education models to make appropriate instructional decisions based on program model and design, and selects appropriate instructional strategies and materials in relation to specific program models.

Competency 001- Understands the foundations of bilingual education and the concepts of bilingualism and biculturalism and applies this knowledge to create an effective learning environment for students in the bilingual education program.

9. Knows how to create an effective bilingual and multicultural learning environment (e.g., by demonstrating sensitivity to students' diverse cultural backgrounds and generational/acclimation differences, showing respect for regional language differences, incorporating the diversity of the home into the classroom setting, applying strategies to bridge the home and school cultural environments).
10. Knows how to create a learning environment that addresses bilingual students' affective, linguistic, and cognitive needs (e.g., by emphasizing the benefits of bilingualism and biculturalism, selecting linguistically and culturally appropriate instructional materials and methodologies).

Competency 002 - Understands processes of first- and second-language acquisition and development and applies this knowledge to promote students' language proficiency in their first language (L1) and second language (L2).

1. Understands basic linguistic concepts in L1 and L2 (e.g., language variation and change, dialects, register) and applies knowledge of these concepts to support students' language development in L1 and L2.
2. Demonstrates knowledge of major language components (e.g., phonetics, phonology, morphology, syntactic features, semantics, pragmatics) and applies this knowledge to address students' language development needs in L1 and L2.

Competency 002 - Understands processes of first- and second-language acquisition and development and applies this knowledge to promote students' language proficiency in their first language (L1) and second language (L2).

3. Demonstrates knowledge of stages of first- and second-language development and theories/models of first- and second-language development (e.g., behaviorist, cognitive), and understands the instructional implications of these stages and theories/models.
4. Applies knowledge of linguistic concepts and theories/models of language acquisition to select and implement linguistically and developmentally appropriate instructional methods, strategies, and materials for teaching L1 and L2.

Competency 002 - Understands processes of first- and second-language acquisition and development and applies this knowledge to promote students' language proficiency in their first language (L1) and second language (L2).

5. Understands the interrelatedness and interdependence of first- and second-language acquisition and assists students in making connections between languages (e.g., using cognates, noting similarities and differences).
6. Knows and uses effective, developmentally appropriate methodologies and strategies for teaching English as a Second Language (ESL) and for supporting ESL development across all areas of the curriculum.

Competency 002 - Understands processes of first- and second-language acquisition and development and applies this knowledge to promote students' language proficiency in their first language (L1) and second language (L2).

7. Understands cognitive, linguistic, social, and affective factors affecting second- language acquisition (e.g., academic background, length of time in the United States, language status, age, self-esteem, inhibition, motivation, home/school/ community environment, literacy background) and uses this knowledge to promote students' language development in L2.

Competency 003 Comprehensive knowledge of the development and assessment of literacy in L1 and the development and assessment of biliteracy.

1. Knows common patterns and stages of literacy development in L1 and how to make appropriate instructional modifications to deliver the statewide language arts curriculum in L1 to students at various levels of literacy development.
2. Knows types of formal and informal literacy assessments in L1 and uses appropriate assessments on an ongoing basis to help plan effective literacy instruction in L1.

Competency 003 Comprehensive knowledge of the development and assessment of literacy in L1 and the development and assessment of biliteracy.

3. Knows the state educator certification standards in reading/language arts in grades EC-4, understands distinctive elements in the application of the standards for English and for L1, and applies this knowledge to promote bilingual students' literacy development in L1.

4. Knows the statewide language arts curriculum for Spanish in grades EC-4, or the language arts curriculum for languages other than Spanish, as appropriate, as specified in the Texas Essential Knowledge and Skills (TEKS) and applies this knowledge to promote bilingual students' L1 literacy development in grades EC-4.

Competency 003 Comprehensive knowledge of the development and assessment of literacy in L1 and the development and assessment of biliteracy.

5. Knows how to help students transfer literacy competency from L1 to L2 by using students' prior literacy knowledge in L1 to facilitate their acquisition of L2 literacy, including using explicit instruction to help students make connections between L1 and L2 (e.g., in phonemic awareness, decoding skills, comprehension strategies).
6. Knows how to apply linguistic concepts (e.g., comprehensible input) and integrate ESL techniques in reading instruction to promote the development of L2 literacy.

Competency 003 Comprehensive knowledge of the development and assessment of literacy in L1 and the development and assessment of biliteracy.

7. Knows how to promote students' biliteracy (e.g., by maintaining students' literacy in L1 while developing students' literacy in L2, by using ongoing assessment and monitoring of students' level of proficiency in oral and written language and reading to plan appropriate literacy instruction in L1 and L2, by including authentic children's literature in L1 and L2).

Competency 004 Comprehensive knowledge of content- area instruction in L1 and L2 and uses this knowledge to promote bilingual students' academic achievement across the curriculum.

1. Knows how to assess bilingual students' development of cognitive-academic language proficiency and content-area concepts and skills in both L1 and L2 and to use the results of these assessments to make appropriate instructional decisions in L1 and L2 in all content areas.
2. Knows how to create authentic and purposeful learning activities and experiences in both L1 and L2 that promote students' development of cognitive-academic language proficiency and content-area concepts and skills as defined in the state educator certification standards and the statewide curriculum (TEKS).

Competency 004 Comprehensive knowledge of content- area instruction in L1 and L2 and uses this knowledge to promote bilingual students' academic achievement across the curriculum.

3. Knows strategies for integrating language arts skills in L1 and L2 into all content areas and how to use content-area instruction in L1 and L2 to promote students' cognitive and linguistic development.
4. Knows various approaches for delivering comprehensible content-area instruction in L2 (e.g., sheltered English approaches, reciprocal teaching) and can use various approaches to promote students' development of cognitive-academic language and content-area knowledge and skills in L2.
5. Knows how to differentiate content-area instruction based on student needs and language proficiency levels in L2 and how to select and use a variety of strategies and resources, including technology, to meet students' needs.

STANDARDS FOR READING PROFESSIONALS

1. FOUNDATIONAL KNOWLEDGE - Knowledge of the foundations of reading and writing processes and instruction.
2. INSTRUCTIONAL STRATEGIES AND CURRICULUM MATERIALS - A wide range of instructional practices, approaches, methods, and curriculum materials to support reading and writing instruction.
3. ASSESSMENT, DIAGNOSIS, EVALUATION - A variety of assessment tools and practices to plan and evaluate effective reading instruction.
4. CREATING A LITERATE ENVIRONMENT - Create a literate environment that fosters reading writing bhy integrating foundational knowledge, use of instructional practices, approaches and methods, curriculum materials, and the appropriate use of assessment.
5. PROFESSIONAL DEVELOPMENT - View of professional development as a life-long effort and responsibility.
